## Healthy and sustainable

Coplana Peanut is a selected product that serves the large food industry in Brazil and abroad.

Hundreds of farming families are engaged in peanut farming, generating jobs, income and developing the countryside and cities.

All this work is done sustainably. Peanuts are produced in rotation with sugarcane, with good agricultural practices, respecting both the human being and the environment.

**We take care of everything to deliver the best for the consumer!**

## Tasty and nutritious

Peanuts are a healthy food that gives energy and has several key nutrients for the body. It is a naturally cholesterol free product. It has omega-3, 6 and 9, magnesium, calcium, vitamin E, Complex B vitamins, selenium, monounsaturated fats, iron, folic acid, phosphorus, potassium and fibers. It is used by people who play sports and also those who want a healthy diet.

## Product with quality seal

Coplana Peanut is certified by the BRCGS (Brand Reputation Compliance Global Standards), Grade A. It is a member of Sedex (World Database for Corporate Transparency) and Kosher certified (with standards set by the Jewish community).

Coplana Peanut also has the Pro-Peanut Program Certified Quality seal, from ABICAB (Brazilian Chocolate, Peanut and Candy Industry Association). Launched 18 years ago, this program is responsible for ensuring product safety for consumers. Participating companies are audited for Good Manufacturing Practice (GMP) as well as Hazard Analysis and Critical Control Points (HACCP). Thus, the seal is another seal of excellence of processes and products with the Coplana brand.

Yet a further achievement, Coplana also opened a new market producing foods considered pure according to the precepts of Islam. The newly acquired Halal seal allowed the Grain Unit to supply peanuts to the Muslim communities of several countries, including those in the Persian Gulf.

## Jaboticabal Peanut Capital

The work of the growers and the Coplana Cooperative is recognized. The city of Jaboticabal/SP, where the Coplana Grain Unit is located and where the Coplana Peanut is benefited, received the title of Peanut Capital in the State of São Paulo (Law No. 16,640, of January 5, 2018). The growers celebrated and are proud of yet another achievement.
